Together we can make a difference

The United Way advances the common good by focusing on **Education, Income** and **Health** – the building blocks to a good quality life. We recruit people and organizations who have the passion and expertise needed to better lives in Latah County. We believe that everyone deserves the opportunity to have a good life, a quality education that leads to a stable job, enough income to support a family and good health. We envision a world where all individuals and families achieve their human potential through these three key building blocks.

The money raised in **our community** is distributed to **19 local agencies** that provide the utmost impact.

Help us meet our goal of \$80,000 in 2018 with your tax deductible donation.

If you are passionate about **our** community and serving it, the United Way of Moscow/Latah County is always looking for more volunteers. Joining the board of directors is a great way to get involved. If you are interested in becoming a board member, please contact Cretia Bunney at unitedway@moscow.com.
